MATHEMATICS

For Algebra 1, Algebra E, Geometry (all), Adv Algebra/Trig, Adv Algebra/Trig Hnrs, Algebra 2, TFS students have the option of paper or digital book; students do not need to purchase both versions. The ISBN for the print version is listed below. If the digital version is preferred, digital books will be purchased through the student's math teacher in September and the cost of the book will be billed to the student account. The AP Statistics book is available in either a print or digital format - either version is fine for class and both ISBN's are listed below.

WORLD LANGUAGE

The World Language Department requests that students purchase a digital text and, in some cases, a print workbook. In some classes, there is an option for a combined print and digital text, and two ISBN numbers are provided for this choice. We prefer students purchase from the published list of ISBN numbers (below) from the Bellarmine book list.
